# OVER 60 YEARS OF RACING HERITAGE

## A HERITAGE.

Iconic and historic. Since 1964, we have trained over 30 F1 drivers, including world champions Alain Prost (4 titles) and Damon Hill (1 title), as well as numerous winners in motorsport.

## A PASSION.

The passion for racing. We leverage our expertise in motorsport to detect drivers' talents and support them to focus on their goals. Additionally, we share this passion through exclusive single-seater driving experiences, spanning from F4 to F1, for both individuals and corporations.

## A VISION.

To detect tomorrow's champions. Just like Isack Hadjar, the latest Trophée Winfield winner, who is currently competing in Formula 1, or Doriane Pin, the F1 Academy winner in 2025.
